

CAR PARKING PERMIT SCHEME REGISTRATION FORM

Finding parking spaces on campus can be difficult and the surrounding local road network is subject to congestion at peak travel times. We therefore strongly recommend that you travel to the University by means other than the car whenever possible.

Students (with the exception of Blue Badge Holders) are required to use Costessey Park & Ride except where it can be demonstrated there are extenuating personal circumstances which may entitle the applicant to a car parking permit as approved by the Student Parking Appeals Panel. Staff members and Postgraduate Research Students who do not live within a mile of campus or within NR2 are entitled to a permit.

Those entitled to a UEA Car Park Permit should complete the information below in full, using capital letters and black ink. Please note: We are unable to process forms which are incomplete or where supporting documentation is missing. Please email transport@uea.ac.uk if you need help with your application.

SECTION 1: Type of Permit required (please tick relevant box)
