Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_16-206)

We have now considered your request of 14 October 2016 for contact information relating to the posts/roles of

- *Principal or Dean or Director*
- *Business Development Manager*
- *Partnership Manager*
- *Any person leading on Smart Cities research/project*

Our response is on page 3 of this letter, together with a copy of your request.

As we have not received a response to our requests for clarification dated 18 and 26 October, we are proceeding on the basis outlined in our email of 18 October; namely that we will provide you with the requested details for posts with responsibilities for developing business opportunities for UEA and for developing and administering partnership opportunities, irrespective of the fact that the titles of these posts are not those specified in your request.

Finally, on this occasion it is not possible to provide all the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm that the University does not hold any of the requested information pertaining to “*Any person leading on Smart Cities research/project*”. As we are not involved in any research or projects relating to Smart Cities, we have no ‘lead person’ within UEA relating to it.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter.
