

## Appendix A\_FOI\_16-237

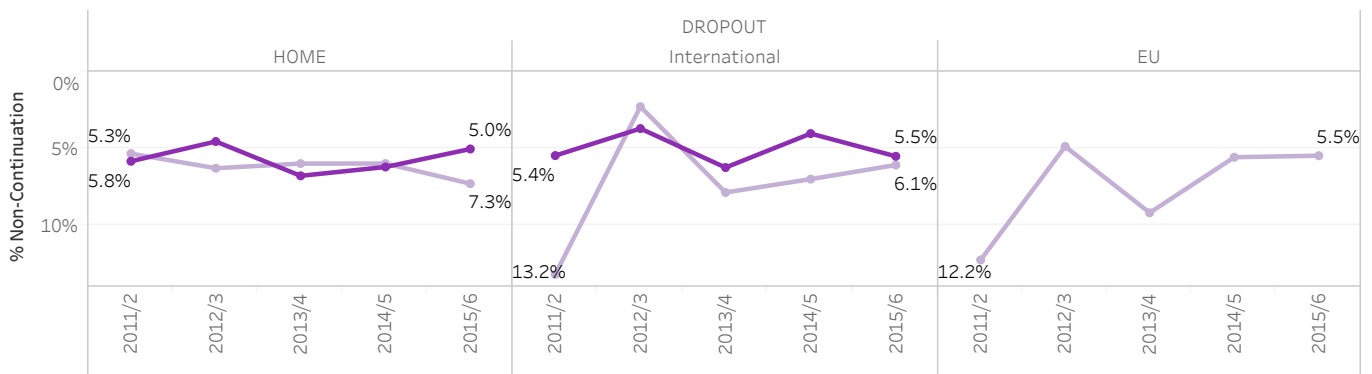

# First Year Non-continuation Students are New Starters, Full Time, First Degree

Ethnicity Group  
■ BME  
■ WHITE

Percentage of First Year Non-Continuation for BME and White students over time. Note axis is reversed to show a low non-continuation rate at the top of the scale.

Percentage of First Year Non-Continuation for BME and White students over time, by Fee Status. Note axis is reversed to show a low non-continuation rate at the top of the scale.

Data for BME and White students over time, by Fee Status. Figures show percentage of first year non-continuation and student counts. Counts below 5 are shown as \*.
