Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_16-215)

Thank you for your request of 30 October 2016 as clarified on 14 November for the following information:

“I would like the top 30 websites, not just UEA ones, accessed through the UEA wifi system in your buildings...”

On this occasion it is not possible to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm that the University does not hold any of the information requested. The University does not record nor keep a record of sites accessed using the Wi-Fi network in place at UEA. Therefore, we hold no information as to what are the top 30 websites so accessed.

We hope this response will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:

Please note that any material over which UEA has copyright is released on the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information provided.
