[REDACTED]

31 August 2016

Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_16-159)

We have now considered your request of 19 August 2016 for information relating to charging facilities for electric vehicles.

Our response is on page 2 of this letter, together with a copy of your request.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:

https://ico.org.uk/Global/contact_us, or by telephone on 0303 123 1113.

Please note that any material over which UEA has copyright is released on the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information provided.

Please quote our reference given at the head of this letter in all correspondence.

Yours sincerely

Dave Palmer
Information Policy and Compliance Manager
University of East Anglia

Response to Freedom of Information Act 2000 request (FOI_16-159)

1. Does your organisation already offer charging facilities (Electric Vehicle Charging Points EVCP) for electric vehicles and if so, how many charge points?

Yes, we offer 6 points all of which are available to any user free of charge although a payment for car parking may be payable.

2. If there is currently no charging provision, what plans do you have to install EVCP and when?

Not applicable; see answer to question 1.

3. Will the charge points be for fleet usage or public charging?

Charge points are for both fleet usage and public charging.

4. Within your organisation, which department is responsible for the selection and installation of EVCP?

The Estates and Building Division is responsible for the selection and installation of EVCP.
