Response to Freedom of Information Act 2000 request (FOI_16-233)

For the years 2015 and 2016, please publish the total amount paid to the following publishers for academic journals:

Wiley

Springer

Elsevier

Taylor & Francis

De Gruyter

Sage

Royal Society of Chemistry

Institute of Physics Publishing

I understand that your expenditure records may be held in academic financial years rather than calendar years. If so, I am happy for the response to be provided in the same format, with figures for 2014/15, and 2015/16.

The figures should include payments made directly to the publishers as well as any payments made to subscription agents or intermediaries for the purchase of, and/or access to, the publishers' academic journals. They should also include payment for journal packages such as Jisc Collections agreements, as well as for individual journals. Please include VAT where possible.

The table below provides figures for academic years 2014/5 and 2015/16. All figures include VAT at 20%.
