# OPTIONAL UNDERGRADUATE SUMMER READING

There is no expectation that you do any advance reading for the course, although you will find it useful to read a quality newspaper each day and focus in on the legal issues and debates in the news.

If you would like to do some specific reading over the summer, here are a few recommendations:

## **What About Law? Studying Law at University**

*Catherine Barnard, Janet O'Sullivan & Graham Virgo*

## **Letters to a Law Student: A Guide to Studying Law at University**

*Nicholas McBride*

## **Just Law**

*Helena Kennedy*

## **The Rule of Law**

*Tom Bingham*

## **The New British Constitution**

*Vernon Bogdanorou*

Students joining LLB Law with European Legal Systems and taking the French and Spanish language routes should maintain their foreign language, for example by going over class materials from the past year.
