

Matters arising from the minutes of ISSC meeting 18 October 2016

CONFIDENTIAL

*4. WEBSITE STABILITY PROJECT

Considered

a confidential report on the progress of the Website Stability Project. (A copy is filed in the Minute Book, ref. ISC16D003)

Action: The Director of Information Services to report back to ISSC on progress towards delivering a stable website.

Response: An update on the website stability project is provided as a separate paper on the agenda for the 31 Jan 2017 ISSC meeting. See Item A3.

*8. COMPLIANCE SEARCH PROTOCOL

Considered and approved

a confidential proposal to use central search tools to support requests for information handled by the information compliance team. (A copy is filed in the Minute Book, ref. ISC16D006)

Action: The Director of Information Services to offer the compliance search protocol to ET-P for final approval.

Response: The compliance search protocol proposal was discussed and approved by ET-P at their meeting in w/b 21 November 2016.
