Dear [REDACTED]

**Freedom of Information Act 2000 – Information request (ref: FOI\_17-084)**

We have now considered your request of 30 March 2017 for the following information:

*I would like either a summary of the term-time addresses of UK/EU students attending the University, or the individual term-time postcodes of UK/EU students attending the University.*

Our response is within the accompanying Excel file entitled FOI\_17-084 Appendix A.

We have provided a summary of the term-time addresses in the form of a breakdown of addresses by postcode sector as submitted by students. This has been done because we wish to avoid identifying specific student residences as this would be personal data and exempt from disclosure.

Please note that the information provided is not complete, as students voluntarily submit this data and many did not input their postcode at all, or only provided a partial postcode. There may also be inaccuracies where students have misinterpreted the data requested and have provided a home postcode rather than term-time postcode.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:

Please note that any material over which UEA has copyright is released on the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information provided.

Please quote our reference given at the head of this letter in all correspondence.
