Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_17-098)

We have now considered your request of 21 April 2017 as clarified on 05 May for the following information:

“How many international (non-EU) students do you currently have on undergraduate pathway programmes run by INTO University Partnerships?”

How many international (non-EU) students do you currently have on postgraduate pathway programmes run by INTO University Partnerships?”

[Amended on 05 May 2017 to accept the number of students on pathway programmes run by INTO University Partnerships without any indication of whether they are EU or international (non-EU) students]

Our response is as follows:

As of February 2017, 347 students were on undergraduate pathway programmes run by INTO UEA, and 66 students were on postgraduate pathway programmes run by INTO UEA. Please note that we only hold the number of individuals within each programme and possess no other information that would allow us to determine if any particular student was non-EU or not.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.
