**Response to Freedom of Information Act 2000 request (FOI\_17-114)**

*I would like all available information on the suicide of UEA students both on and off of UEA campus in the last five years. This can be simple statistical if there is a problem with confidentiality.*

*[Amended on 09 May to include a breakdown by gender and year]*

The University holds records that indicate that one (1) male student committed suicide in 2015. It should be noted, however, that we do not hold complete data regarding the cause of student deaths that occur off-campus.
