25 July 2017

Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_17-167)

We have now considered your request of 03 July 2017 for the following information:

'Please break down the first-year undergraduate intake by the month in which they were born (January to December, with no need for the year of birth).

Please do this for the following years:

Academic year beginning:

- b) September 2013*
- c) September 2014*
- d) September 2015*
- e) September 2016*
- f) September 2017 (projected)'*

As requested, our response is provided in the accompanying Excel spread sheet, 'FOI_17-167 Appendix A'.

Please note the data includes the entire first year undergraduate intake that transferred past the admissions stage of registering, regardless of whether they fully registered or continued to study at the University. Each count is an individual application, therefore single applicants would be counted multiple times if they applied more than once. For the 2017 projected intake, the data is correct as of 12 July, however, we are still in a live cycle and receiving applications and cannot state at this stage which students will be accepted after the exam results are released.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:
