Response to Freedom of Information Act 2000 request (FOI_17-022)

1. All framework and policy documents detailing your university's strategy for the implementation of the Government's Prevent program in regards to IT usage and the monitoring of student and staff's emails.

The sole official UEA policy or guideline document regarding IT usage and the monitoring of staff and student emails whether under the Prevent programme or not, is contained within Sections 2(l), 3.11(k), 3.14(b)&(h), 4(a)-(c) and 5(a) of the Conditions of Computer Use policy document which is available on the UEA website: <https://portal.uea.ac.uk/documents/6207125/6476835/cocu-pdf.pdf/>

2. A list of all instances in which your university provided evidence or referred individuals to law enforcement agencies as part of its Prevent duties from September 2015 to date.

[Clarified on 27 January to define the elements of the 'list' as any information that in our consideration would not subject to exemption under any of the Act's sections]

There was one instance in 2016 in which the conduct of an individual was discussed with a law enforcement agency but we were advised by that agency that no referral was required in pursuit of the Prevent duty.
