Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_17-040)

Thank you for your request of 15 February 2017 for the following information:

“What is the annual spend of your University over the last 5 years on teaching equipment for engineering departments?”

On this occasion it is not possible to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm we confirm that the University does not have an engineering department and so does not hold any relevant information.

However, we would note that we do offer individual engineering-related courses but these courses are offered and administered by the School of Mathematics which also offers a range of other courses not directly related to engineering.

We hope this response will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:
