Response to Freedom of Information Act 2000 request (FOI_17-309)

I would like to know the following about each admission cycle separately. First 2013/2014. Second 2014/2015. Third 2015/2016. Fourth 2016/2017.

Would it also be possible to indicate the percentage of applicants who fit into the three A-Level grouping and the percentage of successful applicants who fit into the three A-Level grouping?

1. Applications.

i) percentage of people who applied with predictions of ABB;

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

ii) percentage of people who applied with predictions of AAB;

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

iii) percentage of people who applied with predictions of AAA;

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

iv) percentage of people who applied with predictions of AAA;

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

[Duplicate question (iv) withdrawn on 18 December 2017]

*v) percentage of people who applied with predictions of A*AA;*

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

*vi) percentage of people who applied with predictions of A*A*A;*

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

*vii) percentage of people who applied with predictions of A*A*A*;*

- a) percentage given an offer*
- b) percentage who accepted their offer as a firm*
- c) percentage who accepted their offer as insurance*

2. Enrolment by achieved grades

- i) percentage enrolled with achieved grades of BBB*
- ii) percentage enrolled with achieved grades of ABB*
- iii) percentage enrolled with achieved grades of AAB*
- iii) percentage enrolled with achieved grades of AAA*
- iv) percentage enrolled with achieved grades of A*AA*
- v) percentage enrolled with achieved grades of A*A*A*
- vi) percentage enrolled with achieved grades of A*A*A**

*3. Enrolment by achieved grades against offer (where achieving AAA with an offer of AAB would be 1 above and achieving A*AA with an offer of AAB would be 2 above).*

- i) percentage enrolled with achieved grades 1 above their offer*
- ii) percentage enrolled with achieved grades 2 above their offer*
- iii) percentage enrolled with achieved grades 3 or more above their offer*
- iv) percentage enrolled with achieved grades 1 below their offer*
- v) percentage enrolled with achieved grades 2 below their offer*
- vi) percentage enrolled with achieved grades 3 below their offer*

Our response to all the above questions is within the attached document entitled FOI_17-309 Appendix A. Please note that for consistency we have included applicants with a prediction of BBB within our response to question 1.

It should be noted that the data presented in questions 1 and 2 only represents a portion of the applications received by, and enrolments with UEA for the M100 Law programme.

The table below illustrates that there were a large percentage of applicants and enrolments outside the requested range of predicted and achieved grades.

Year	%age of applicants with predicted grades of A*A*A* to BBB	%age of enrolments with achieved grades of A*A*A* to BBB
2014	52%	35%
2015	47%	51%
2016	50%	56%
2017	40%	46%

In regards question 3, we would add that the typical offer for the 2014 to 2016 entry class was at the AAB level and for the 2017 entry class it was at the AAA level.
