

good practice within the School - proposed process and timescale:	usually monthly. ET meetings at similar intervals. Annual peer observation of all academic staff, ongoing. Co-teaching of many modules particularly in years 2 and 3. Good practice however also needs support at faculty and university level. We will explore how to communicate efficiently at these levels.
Stage 2 - For completion by the Faculty Associate Dean (LTQ)	
Confirmation that process has been satisfactorily undertaken:	Name: Ben Milner
	Date: 7/2/17
Good practice identified and University wide issues <i>(If different from the above):</i>	
Dissemination of good practice within the Faculty and University-proposed process and timescale.	SCI LTQC and where appropriate bring up at relevant WGs and LTC.
