Report to Learning and Teaching Committee from the ISD Education Board – academic year 13/14

Meetings

ISD Education Board met 3 times – on 4/10/16, 19/1/17 and 24/5/17

Business

The board continued to consider aspects of ISD work that relate to teaching and learning and offer advice via the chair to ISSC. Projects discussed this year were:

1. The Learning Technology Team Programme of Work
2. The Reading Online project
3. Blackboard student use data, management information on Bb and actions 'Hot and Cold Spots' data
4. The online coursework marking project
5. Text matching software
6. Proposals for digital exams and testing
7. Online courses
8. Audience Response systems

Where appropriate, the progress on these projects have been reported to LTC throughout the year.
