Issue

Amending the mechanism for approving amendments to the Constitution of the Union of UEA Students

Recommendation

The Council sub-committee which has delegated authority for agreeing amendments to the Union of UEA Students Constitution comprises:

Pro-Vice-Chancellor (Academic)
Dean of Students (now Director of Student Services)
Registrar & Secretary
Union of UEA Students Finance Officer

There is no longer a Union officer with the above title and we suggest substituting with “a sabbatical officer of the Union of UEA Students” as communicated by the Union.
