Dear [REDACTED]

**Freedom of Information Act 2000 – Information request (ref: FOI\_18-237)**

We have now considered your request of 25 September 2018 for information on the grades and scores achieved by, and offers made to, applicants to the University's medical school.

Our response is on page 3 of this letter, together with a copy of your request.

On this occasion it is not possible to provide some of the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm that the University does not hold any of the information requested for UKCAT scores during 2017, due to UKCAT Decision Analysis/Making components not being taken into account by UEA for that year.

We also do not hold information for the GCSEs and predicted A Level grades for some participants, as the offer holder would have taken alternative qualifications to GCSE's and/or A levels.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 40 working days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:

## Response to Freedom of Information Act 2000 request (FOI\_18-237)

1. I would like to know if anyone who applied for undergraduate medicine received an offer for 2018,2017,2016 and 2015 entry and had a UKCAT score lower than 635 (2540). If yes, I would like to know how many persons per admissions cycle received offers and the total number of offers given out in the same admissions cycle (for each year).

Our response is as follows:

| Year of entry     | Offer made to UKCAT score <635 (2540) | Total Offers | Offers with UKCAT < 2540 |
|-------------------|---------------------------------------|--------------|--------------------------|
| 2015              | Yes                                   | 360          | 48                       |
| 2016              | Yes                                   | 365          | 38                       |
| 2017 <sup>1</sup> | [Not held - s.1(1)(a), FOIA]          | 426          | 274                      |
| 2018              | Yes                                   | 438          | 58                       |
