Dear ██████████

Freedom of Information Act 2000 – Information request (ref: FOI_18-056)

We have now considered your request of 28 February 2018 for the following information:

“...the list of all countries from which bodies and body parts are imported by the medical school for education or training related to human health or for anatomical examination. I am applying for a log of imports for the calendar years individually of 2014, 2015, 2016 and 2017.”

Our response is as follows:

Eight (8) cadaveric head specimens were imported in June 2016 from a company located in the United States of America. This is only time that bodies or body parts have been imported by UEA for education or training related to human health or for anatomical examination.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal.
