

26 July 2019

Dear 

Freedom of Information Act 2000 – Information request (ref: FOI_19-202)

We have now considered your request of 11 July 2019 for the following information:

'I would like the following information relating to the cost of university halls for each of the past three complete academic years (i.e. 2016-17, 2017-18, 2018-19).

- *The number of rooms offered by the university across all campuses at each price point (ideally these prices would be annualised).'*

Our response is in accompanying document FOI_19-202 Appendix A.

Please note that we have defined 'price-point' as the price per week for each type of accommodation, which is the same whether the student is an undergraduate or a post graduate. The only variation in price is due to the length of contract which is longer for post graduate students and therefore results in a higher annual price for those students.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 40 working days of the date of this letter. In line with section 5.3 of the UK Government's Freedom of Information Act Code of Practice, we are not obliged to accept internal reviews after this date.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:
