Response to Freedom of Information Act 2000 request (FOI_19-049)

Following my request sent back in November (reference FOI_18_263) regarding the number of students that have dropped out/intercalated in the academic year 2017-18, I am writing to request for the same information for the 4 academic years prior to this.

Our response is within the table below:

<i>Academic Year</i>	<i>No. of students who withdrew</i>	<i>No. of students who intercalated</i>
2016/17	750	824
2015/16	811	726
2014/15	730	703
2013/14	763	425

Figures for intercalations have been provided using the University's absence records and are based on the year in which absence/intercalation commenced. Figures may be duplicated across withdrawal and intercalations, where a student may have done both during the same academic year.
