Dear [REDACTED]

Freedom of Information Act 2000– Information request (ref: FOI_19-066)

We have now considered your request of 27 February 2019 for the following information:

‘Please send me the total number of current students, in all types of studies, in all qualification types and all modes of study, that are Romanian citizens.

To clarify, I am not interested in the break down, just the total number of students currently enrolled in your university that have Romanian nationality, including all those that hold multiple nationalities and Romanian nationality is one of them.’

Our response is as follows:

As of 26 February 2019, a total of 90 Romanian students, including those with a dual Romanian nationality, are currently enrolled at the University. This figure includes current students and also those who are ‘dormant’, meaning a student is either awaiting assessment or has no ongoing activity with the University.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 40 working days of the date of this letter. In line with section 5.3 of the UK Government’s Freedom of Information Act Code of Practice, we are not obliged to accept internal reviews after this date.

You also have a subsequent right of appeal to the Information Commissioner’s Office. Further information is available on their website:
