

### Open sources.

Whilst these sources are open – you must carefully check that the content in them has CC-BY licence. It is not possible to use content licenced under other CC licences – as these do not allow for commercial use.

Name	Notes	Access
DOAB Directory of Open Access Books	All books in DOAB have a full OA license, making them 'free to share'. HOWEVER - individual titles may restrict the use of content for "commercial use". Check the copyright statement at each book record	<a href="http://www.doabooks.org/">http://www.doabooks.org/</a>
DOAJ Directory of Open Access Journals	All journals and articles have a full OA license, making them 'free to share'. HOWEVER - individual titles may restrict the use of content for "commercial use".	<a href="http://www.doaj.org">http://www.doaj.org</a>
OAPEN Library	OAPEN (Open Access Publishing in European Networks) is a collaborative initiative to develop and implement a sustainable Open Access publication model for academic books in the Humanities and Social Sciences. All titles have a full OA license, making them 'free to share'. HOWEVER - individual titles may restrict the use of content for "commercial use".	<a href="http://oapen.org/home">http://oapen.org/home</a>
BioMed	Online publisher of free peer-reviewed scientific articles in all areas of medical research and biology. Bio-Med copyright statement allows for use, re-use and commercial use of content. <a href="http://www.biomedcentral.com/about/license">http://www.biomedcentral.com/about/license</a> (accessed 21/06/2013)	<a href="http://www.biomedcentral.com/">http://www.biomedcentral.com/</a>
ACADEMIC_JOURNALS_FREE	Publisher of open access journals. Interestingly, although the copyright statement for the website suggests that all the content is licenced under CC-BY, the random sample of individual journals I checked explicitly excluded commercial use.	<a href="http://www.academicjournals.org">http://www.academicjournals.org</a>
AFRICAN_JOURNAL_ARCHIVE_FREE	A retrospective digitisation project of full-text journal articles published in Africa. Terms and conditions of the website indicate that the copyright does not include licence which allows commercial use of content.	<a href="http://www.sabinet.co.za/?page=afri-can-journal-archive">http://www.sabinet.co.za/?page=afri-can-journal-archive</a>
AGECON_FREE	AgEcon Search is a free, open access repository of full-text scholarly literature in agricultural and applied economics. Copyright not held by	<a href="http://ageconsearch.umn.edu/">http://ageconsearch.umn.edu/</a>

	platform – held by original publisher – not able to use for commercial use – but does suggest “linking” to content.	
Botanicus	This contains a selection of titles provided by Botanicus, a freely accessible encyclopaedia of historic botanical literature from the Missouri Botanical Garden Library. Commercial use not permitted but prepared to negotiate commercial licence.	<a href="http://www.botanicus.org/">http://www.botanicus.org/</a>
Dove Press Free	Dove Medical Press Ltd publishes Open Access peer-reviewed journals in science, technology and especially medicine. All articles have a “get permission” button, which links to organisation called Copyright Clearance Centre, who will administer copyright request for a fee. <a href="http://www.dovepress.com/permissions.php">http://www.dovepress.com/permissions.php</a> (accessed 21/06/2013)	<a href="http://www.dovepress.com/why_publish_with_dove.php">http://www.dovepress.com/why_publish_with_dove.php</a>
HighWire Press Free	Free sites and sites offering free back issues. However, individual titles may restrict the use of content for "commercial use". Check the copyright statement the publisher of each journal.	<a href="http://highwire.stanford.edu/lists/freeart.dtl">http://highwire.stanford.edu/lists/freeart.dtl</a>
InTech Books & Journals	Publishers of open access books and journals. Works included are made available using CC-BY – so material can be used commercially. <a href="http://www.intechopen.com/copyright-policy.html">http://www.intechopen.com/copyright-policy.html</a> (accessed 21/06/2013)	<a href="http://www.intechopen.com/">http://www.intechopen.com/</a>
International Scholarly Research Network	The ISRN publishes peer-reviewed, open access journals that are designed to provide a fast peer review process for all submitted manuscripts. Copyright retained by the author but distributed under CC-BY, allowing use in any medium. <a href="http://www.hindawi.com/memberships/">http://www.hindawi.com/memberships/</a> (accessed 21/06/2013)	<a href="http://www.hindawi.com/isrn/">http://www.hindawi.com/isrn/</a>
Medknow Open Access Journals	Open access scholarly journals. Quite restrictive terms on the usage of content – not for commercial use. <a href="http://www.medknow.com/termsnpolicies.asp">http://www.medknow.com/termsnpolicies.asp</a> (accessed 21/06/2013)	<a href="http://www.medknow.com/">http://www.medknow.com/</a>
QScience	Journals published by a partnership of Qatar Foundation and Bloomsbury Publishing Plc. Not completely clear about level of commercial re-use. <a href="http://www.qscience.com/page/tcs">http://www.qscience.com/page/tcs</a> (accessed 21/06/2013)	<a href="http://www.qscience.com/page/author_services_journals">http://www.qscience.com/page/author_services_journals</a>

SORA Searchable Ornithological Research Archive	The SORA project is an open access journal archive of Ornithological literature with detailed material documenting the history of Ornithology in North America over the last 120 years. Copyright statement indicates that not able to commercially re-use – although does also suggest that could request specific permission of individual copyright holders. <a href="http://sora.unm.edu/node/7">http://sora.unm.edu/node/7</a> (accessed 21/06/2013)	<a href="http://elibrary.unm.edu/sora">http://elibrary.unm.edu/sora</a>
Taylor & Francis Open Access	Extract from Taylor & Francis and Routledge Open: articles are normally published under a Creative Commons Attribution License <a href="http://creativecommons.org/licenses/by/3.0/">http://creativecommons.org/licenses/by/3.0/</a> . However, authors may opt to publish under a Creative Commons Attribution-Non-Commercial License <a href="http://creativecommons.org/licenses/by-nc/3.0/">http://creativecommons.org/licenses/by-nc/3.0/</a> . Taylor & Francis and Routledge Open Select articles are currently published under a license to publish, which is based upon the Creative Commons Attribution-Non-Commercial No-Derivatives License, but allows for text and data mining of work. Authors also have the option of publishing an Open Select article under the Creative Commons Attribution License <a href="http://creativecommons.org/licenses/by/3.0/">http://creativecommons.org/licenses/by/3.0/</a> . <a href="http://www.tandfonline.com/page/terms-and-conditions#link2">http://www.tandfonline.com/page/terms-and-conditions#link2</a> (accessed 21/06/2013)	<a href="http://www.tandfonline.com/page/openaccess">http://www.tandfonline.com/page/openaccess</a>
Sabinet	The collection currently comprises 46 South African journals, which may be searched individually, and provides immediate access to the PDF versions of 6 000+ full-text articles. Copyright resides with publishers. No indication of type of licence.	<a href="http://www.sabinet.co.za/?page=open-access-journals">http://www.sabinet.co.za/?page=open-access-journals</a>
TERRAPUB_ELIBRARY_FREE	Journals on Earth & Environmental sciences. Copyright resides with publishers. No indication of type of licence.	<a href="http://www.terrapub.co.jp/e-library/">http://www.terrapub.co.jp/e-library/</a>
OUP Open titles	OUP offers authors option to choose from the 3 CC licence options – and the majority offer CC-BY. Each article will require investigation into which licence the author has chosen. <a href="http://www.oxfordjournals.org/oxfordopen/policies.html">http://www.oxfordjournals.org/oxfordopen/policies.html</a> (accessed 21/06/2013)	<a href="http://www.oxfordjournals.org/oxfordopen/">http://www.oxfordjournals.org/oxfordopen/</a>
