

# ZUCKERMAN ARCHIVE

## SZ Supplementary Listing

Contained in 107 boxes.

A large collection of papers were not catalogued with the main deposited collection. It is assumed SZ was using these papers in the latter part of his life for his ongoing writing. Some of these papers were being collected by him after the main deposit had been made. Where appropriate, papers have been integrated in the main collection, but the vast majority (107 boxes) are now listed separately here.
