<b>EVE/TRA</b>	TRAVEL 1955-1996
<b>EVE/WAR</b>	JE'S AND HENRY MILLACHIP'S WARTIME SERVICE 1938-1945

This collection holds mainly family photographs and slides of travel undertaken by Joan Elizabeth Everest [JE]. She was born on 5/9/1916, the only child of Eric H.H. Everest and Kate Elizabeth (Toi) Scott-Miller. Her father's sister was the actress Barbara Everest, and Mount Everest was named after her ancestor Sir George Everest (1790-1866) Surveyor-General of India. JE was also cousin to J.E.B. Hill (MP), their mothers being sisters. Since John Hill and JE shared the same maternal grand-parents, there is some duplication of photographs of relatives in the two collections which UEA holds.

On 1/2/51 JE married Henry John Anthony Millachip. Material, mainly photographic, relating to Millachip's service in the Middle East is also included.

JE lived in Malaya, Kenya and England. She died in 199-?
