

# TRAVEL INFORMATION

## BOB CHAMPION RESEARCH & EDUCATION BUILDING

### CAR PARKING

The BCRE has a relatively small number of car parking spaces (total capacity of 42) to the rear of the building, some of which are designated as disabled parking, and some for 'patients' visiting the Clinical Skills Resource Area (CSRA) to deliver the clinical teaching.

Please note that parking at BCRE is limited to MED staff who were relocated to BCRE and who already had a UEA parking permit when BCRE opened. If you apply for UEA parking you will need to specifically request BCRE car parking. Further information can be found on the [Estates travel and transport web site](#).

**With the exception of blue badge holders there will be no parking available for your visitors in the BCRE car park** so please note visitors will need to:

- a. **Use the park & ride service 510 from Costessey or local bus services.** Visit [www.uea.ac.uk/transport](http://www.uea.ac.uk/transport) for further details & timetables. Buses to and from Norwich City Centre stop at Bus Stop A. The Costessey Park & Ride bus stops at Bus Stop B at the NNUH Plaza.
- b. **Park on the main UEA campus and walk across.** If non-permit holders plan to park on campus and walk across to meetings, they will require a **visitor permit for invited guests** and it is important for you to arrange this in advance of their visit and ensure they are aware of the arrangements. The Security Lodge on the main campus will hold up to 5 permits, but for larger groups you will need to either send the permit to the guest ahead of the visit or make arrangements for your guests to collect permits from another location on campus on arrival (please ensure they return to their vehicle to display the permit). Visitors are often required to park on the main UEA campus so please ensure your visitors are aware that the walk from here to BCRE will take approximately 20 – 30 minutes.
- c. There is limited parking at the Pavilion car park on Colney Lane – 8 minute walk to BCRE. **A visitor permit for invited guests** should be displayed.
- d. There are **pay & display public car parks adjacent to the BCRE** which colleagues/visitors may wish to use and pay for at a cost of £3.00 per visit.
- e. In light of the above information, **please plan your meeting times carefully.** You may wish to know that the hospital visiting hours are 10.00 to 12 noon and 14.00 to 16.00. It will be considerably easier to find a space in the public car parks for meetings which start outside of these hours.

**Visitor Parking Permits** may be purchased from the Travel & Transport Team, Estates. Please email your request to [transport@uea.ac.uk](mailto:transport@uea.ac.uk). For further details about the cost, issuing methods and guidance for use for visitor parking permits, please see the [Estates web site](#).

## **FIRST BUS 50p BUS SERVICE**

A "hopper" bus service now operates between the main campus and the NNUH Plaza, which enables those who have to travel between sites to use First Bus Service 26 at a discounted rate. There is a special flat fare of 50 pence for any single journey between UEA and the NNUH. The same fare will apply to the three evening services on the orange line (services 21/22). You are advised to show a campus card to obtain the special fare.

Further information can be found on the [FirstGroup website](#).

For more information about transport at UEA, visit the [Estates web pages](#) or should you wish to request a personal travel plan setting out travel options to BCRE, please send an email to [transport@uea.ac.uk](mailto:transport@uea.ac.uk)

## **BICYCLE RACKS**

Bicycle racks are located at both the front and rear of BCRE including a number of covered cycle racks.
