## Response to Freedom of Information Act 2000 request (FOI\_14-152)

Your request:

*May I kindly request some information regarding the most recent (2013) medicine application cycle to the University of East Anglia:*

- 1. The total number of applicants - with the number of graduate applicants distinguished from school leavers*
- 2. The total number of applicants (graduate and school leavers separately) that were offered an interview*
- 3. The total number of applicants (graduate and school leavers separately) that were offered a place following their interview*

As agreed on 12 August, as an alternative to providing figures on school leavers and graduates, we have separated the applicant data into two groups: those who were under 19 at time of application and those who were 19 and over.

Our response:

Age of applicant:	Total number of applicants:	Number of applicants offered an interview:	Number of applicants offered a place:
Under 19	518	276	216
19 and over	640	215	24
