[REDACTED]

12 March 2014

Dear [REDACTED]

FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST
(Our file: FOI_14-039)

Your request for information received on 17 February 2014 for information regarding animal experimentation carried out at UEA in 2013 has been considered and the information requested is provided within the attached document to this letter. As per your instructions we are releasing this information in the form of an Excel spreadsheet. I trust this will be to your satisfaction.

Please note that any material released over which UEA has copyright is released subject to the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information released.

You have the right of appeal against this decision. If you wish to appeal, please set out in writing your grounds of appeal and send to me at the address noted in the heading to this letter.

You must appeal our decision within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow, Cheshire
SK9 5AF
Telephone: 0303 123 1113
www.ico.org.uk

Please quote our reference given at the head of this letter in all correspondence.

Yours sincerely

David Palmer
Information Policy and Compliance Manager
University of East Anglia

Response to Freedom of Information Act 2000 request (FOI_14-039)

I would like to request the following information under freedom of information laws:

- a) The total number of animals used in research experiments in 2013 and*
- b) For each species of animal used in research experiments in 2013,*
 - i) The name of the species*
 - ii) A brief description of the experiment(s) for which that species was used*
 - iii) The number of animals of that species that were used for each of those experiment(s)*
 - iv) The number of animals that died as a direct result of those experiment(s).*

I would prefer this information in electronic form - preferably an Excel or Open Office spreadsheet.

The requested information is contained within the attached document entitled Appendix A_Data file.xlsx.
