## **Response to Freedom of Information Act 2000 request (FOI\_14-174)**

*I am writing to ask whether the University of East Anglia would be willing to divulge certain demographic data; namely, the number of undergraduate Eastern European (esp. Russian and Ukrainian) students currently enrolled at the university.*

*This data would be used for private purposes; it is for our own intellectual enrichment.*

*Any and all help in this matter would be greatly appreciated.*

A full list of the number of postgraduate and undergraduate students by nation of domicile was recently released in response to a prior request and can be found on page 4 of our response, published [here](#)<sup>1</sup> on our website. Please note that where numbers are lower than 5 we have replaced the exact figure in order to avoid revealing identities of individual students.
