Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_14-168)

We have now considered your requests of 26 August 2014 and 02 September for information on applications to the University's A100 MBBS Medicine course. Our response is on page 3 of this letter, together with copies of your requests.

You may be aware that your first request is identical in content and wording to another request received by the University in April 2014. Our response of 21 May to that earlier request can be found on our disclosure log¹ and on the 'What do They Know' website².

We have reviewed the information disclosed in response to that request and have consulted again with the University's Vice-Chancellor on the application of the s.36 exemption. As a result we have determined that our position – and therefore our response – has not changed since 21 May this year.

With regard to your additional request of 02 September, we have determined this information is exempt under s.22(1) of the Act. This is because the requested information is intended for later publication. Our reasons for withholding this information at the current time are as explained in our response to the FOI request mentioned above.

You have the right of appeal against this decision. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address.

You must appeal our decision within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner at:
