Terms of Reference

- 1) To set the strategy of approach to widening participation at UEA across the student lifecycle including input into UEA's Access Agreement and Monitoring Return.
- 2) To monitor UEA performance in terms of gaps between widening participation and non-widening participation and/or in comparison to the sector on key metrics including:
 - Non-continuation
 - Student Experience and Engagement results
 - Academic performance including good honours
 - Progression to work or further study
- 3) To consider implications of UEA, sector and policy changes on widening participation students.
- 4) To consider cost/benefit of potential major initiatives to address widening participation as appropriate.
- 5) To monitor the impact of UEA policies, regulatory frameworks and Codes of Practice on academic standards and the student experience from the perspective of widening participation and equality of opportunity, and to ensure that remedial action is taken where the outcomes do not meet University's requirements or those of external regulatory bodies (including those relating to disability and physical access to buildings).
- 6) To consider and report annually on matters concerning widening participation and equality of opportunity of students.

Frequency of Meetings

4 times per year – skewed towards pre April to allow full input into Access Agreement development.
