Title: Report on Unit Monitoring, Course Update and Programme Reviews
Author: Assistant Registrar – Dr J. Ashman
Circulation: Learning and Teaching Committee – 9 December 2009
Agenda: LTC09A003
Status: Open
Version: Final

1 Module Monitoring and Course Update

1.1 The methodology for the annual review and update of modules and courses requires Schools to report annually to Faculty Learning, Teaching and Quality Committees confirming that the processes of module monitoring and course update have been completed and on any significant issues arising from the review of modules and courses, including student feedback, and upon actions taken to respond to issues raised. Faculty LTQCs are in turn required to report to the Learning and Teaching Committee of Senate before the end of the academic year following the year to which the module and course monitoring relate that Schools have completed the process and to raise any issues which require wider consideration or discussion.

1.2 MCM3 reports in respect of teaching delivered in 2007/8 has been received from the Faculty of Health

The MCM3 from the Faculties of Arts and Humanities, Sciences and Social Sciences were reported to the Committee in May.
