Reasons for discontinuation of course		
<p>Changes in national education policy.          At the time the course was introduced (replacing the PGCE(M) plus MA) there was a national policy of integrated Masters level courses.          This approach has since been replaced by a Masters level PGCE with the potential to APCL 60 credits in to the MA in Advanced Education Practice.          The course in effect ceased to recruit some time ago, but formal documentation was not put in place at that time and the course therefore remains on the system.</p>
