

LTC13D067

Title: *Amendment to the Bachelors and Integrated Masters Award Regulations 2013-4: Inclusion of threshold levels for MEng courses*

Author: Caroline Sauverin, Head LTS (Systems)

Date: For LTC meeting of 14 May 2014

Circulation: *LTC membership*

Agenda:

Version: Final

Status: Open

Issue

The MEng course was omitted from the regulations with regard to stage thresholds for progression. This has been discussed with the Course Director and Chair of Exam board, and the recommended thresholds are attached.

Recommendation

The committee is asked to approve these thresholds

Resource Implications

None

Risk Implications

None

Equality and Diversity

It is not envisaged that the recommendations contained in the report will impact on groups with protected characteristics.

Timing of decisions

The recommendation, if approved, would come into force as soon as possible.

Background and Discussion

The MEng course was omitted from the regulations with regard to stage thresholds for progression. The matter was discussed by the ADTP, Head of LTS and the Course Director, Dr Lawrence Coates, and the final recommendation is follows:

**Amendment to the Bachelors and Integrated Masters Award Regulations
2013:
Inclusion of threshold levels for MEng courses**

12.4 Stage Assessment for Integrated Masters Courses

12.4.1 The Board of Examiners shall confirm that a student has satisfactorily completed the Stage where the student has passed all modules and achieved the following Stage aggregate mark in the Stage in question:

Integrated Masters Course	Stage 1	Stage 2	Stage 3
Master of Computing Science Master of Mathematics Master of Natural Sciences Master of Sciences	60%	60%	60%
Master of Chemistry	50%	50%	50%
Master of Engineering	40%	60%	60%
Master of Pharmacy	40%	40%	40%
