Version: Final

Issue

Senate is invited to:

Approve a recommendation from the Committee regarding academic dress for masters' level awards.

Recommendation

that the following amendments be made to the academic dress regulations for masters' level awards (amended text is shown underlined):

Official Academic Dress Regulations – Section 13

Master of Chemistry, Master of Computing Science, Master of Mathematics, Master of Natural Sciences and Master of Pharmacy

The academic dress of a graduate of the University being a Master of Chemistry, Master of Computing Science, Master of Mathematics, Master of Natural Sciences or Master of Pharmacy shall be:

- (1) a gown of blue cloth with boot-style sleeves.
- (2) a hood of blue grosgrain lined on the outside to a depth of six inches down the edge of the cowl with one fold only:
 - (a) in the case of Master of Chemistry, with spectrum green.
 - (b) in the case of Master of Computing Science, with spectrum green
 - (c) in the case of Master of Mathematics, with spectrumgreen.
 - (d) in the case of Master of Natural Sciences with spectrum green
 - (e) in the case of Master of Pharmacy, with gold.
- (3) a black mortar-board with tassel.
