

LTC12D072

Title: *Course Review Schedule 2012/13*

Circulation: Learning and Teaching Committee – 5 December 2012

Agenda: LTC12A002

Version: Final

Status: Open

Summary of Quality Review Process – November 2012

Background:

- Policy reviewed and new procedure implemented for 2011-12
- New procedure covers Module Monitoring, Annual Course Update and Course Review, and includes student evaluation

Features of New Procedure:

- Addresses need for robust internal QAE processes, requirements of the QAA and PSRB and the demands of the Corporate Plan
- Less resource-intensive, whilst maintaining efficacy and fitness for purpose
- Risk-based approach
- Focus on Quality Review at course level to promote course coherence, including emphasis on course content and currency; learning outcomes; learning, teaching and assessment strategies

Frequency of Monitoring:

- **Student Evaluation**

Annual internal NSS Plus survey for all years except final year – utilises NSS plus additional questions

Module evaluation each time a module is run is, therefore, optional

Mandatory if the Module has triggered a monitoring review

- **Module Monitoring** - risk-based review

At least once every 5 years unless triggered by one of the following:

- 1 Recommended in 5-yearly Course Review and/or annual course review

- 2 New module within first 2 years of introduction
- 3 New Module Organiser
- 4 Changes to module which Course Director considers should be evaluated
- 5 Concerns arising from previous Module Monitoring that remain unresolved
- 6 Issues arising from student Module Evaluation or from annual student survey
- 7 Staff within probationary period doing substantial amounts of teaching

- **Course Update**

Annual

- **Course Review**

5-yearly intervals, or where required by PSRB

Module Review

- To be conducted within one month of end of module
- Module Organiser and Teaching Director agree modules for review, methods and focus of Review
- Module Organiser leads review
- Outputs – Summary of good practice and Action Plan – FLTQC and LTC

Annual Course Review and Update

- To be completed within 2 weeks of meetings of Boards of Examiners or when required by PSRB
- Lead – Teaching Director or other HOS nominee
- Focus of review – course structure; content; learning and teaching strategies; assessment methods; currency; engagement and achievement; external examiners' feedback; NSS/PTES/SSLC feedback/internal survey; employability
- Outputs – proposed amendments to programme specs and course profiles; report and Action Plan recommending changes and enhancements, and identifying and disseminating examples of good practice – FLTQC and LTC

Course Review

- To be started in January for completion by end of academic year
- Lead – Course Director
- Panel – AD (Chair); HOS or Director from another School; member from another Faculty; external subject specialist; student representation
- Focus of review – reflect on curriculum design, teaching and assessment; admissions data; Good Honours; drop-out rates; employability; SSLC data; NSS/PTES; admissions data; external examiners' reports; library and other learning resources;

- Applies to all courses with current students
- May be replaced by a PSRB review or validation
- Outputs – Report and action plan to recommend course enhancement; inform course closure; inform strategic planning; identify and share good practice – reported to FLTQC and LTC

Provision of Data:

Available from BIU and Admissions via a dedicated LTS Blackboard site
