## **Issue**

The Council Membership Committee (CMC) makes the following recommendations:

### **1. Council**

It was agreed previously that it was desirable to have the Chief Executives (or equivalent) of Norwich City Council and Norfolk County Council as members of Council notwithstanding the potential for these appointments to exceed the standard six year time limit. It is therefore recommended that Ms Laura McGillivray's period of office be extended for a further three years from 1 August 2015, or until her tenure as Chief Executive Officer of Norwich City Council ceases, whichever is the earlier.

The support staff and Senate representatives are due to be re-elected prior to the start of the academic year 2015/16. It is proposed that the normal recruitment activity take place to recruit these members with the results presented to Council in due course for formal confirmation.

At the next meeting of CMC the focus will be on the membership for 2016 where a more significant number of vacancies arise.
