**The Faculty LTQC wishes to bring the following issues to the attention of LTC:**

The generally very positive review of the course.

Main areas for consideration:

- (1) Challenges in accommodating students from a wide range of backgrounds – including international students.
- (2) Greater need to address employability issues at various levels – including programme structure, assessment patterns, wider range of field trips, better use of alumni.

I confirm that the above reviews have been considered and signed off as completed by the Faculty LTQC:

**Signed: Clive Matthews**
