14 December 2015

Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_15-253)

We have now considered your request of 25 November 2015 for “...*the ratio of males to females on your forensic courses and also the gender of your staff that teach the forensic modules*”. Our response is within the table presented below and we hope this will meet your requirements.

We would advise that the numbers for students are actual registrants in forensic science-related courses but the numbers of staff represent the number and gender of staff teaching any forensic science-related module within a course. Further, to arrive at the numbers provided below, we identified all courses/modules with ‘forensic’ in title save Arts & Humanities courses such as “forensic linguistics”. A forensic psychology module has been included as being potentially relevant.

Population	Male	Female
Staff	12	6
Student	9	13
