Dear [REDACTED]

Freedom of Information Act 2000 – Information request (ref: FOI_15-040)

We have now considered your request of 17 February 2015 for the following information:

‘...What percentage of students go on to secure employment in midwifery after completing the course.’

We contacted you by email on 26 February to ask for clarification on the date range of your request. We have not received a response to our email, but on page 2 of this letter we have provided data which shows the employability figures for students on the 3 year undergraduate BSc degree in Midwifery, graduating in 2011/2 and 2012/3. We hope this meets your requirements but please do let us know if further information is required.

Please note that any material over which UEA has copyright is released on the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information provided.

You have the right of appeal against this response. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner's Office. Further information is available on their website:

https://ico.org.uk/Global/contact_us, or by telephone on 0303 123 1113.

Please quote our reference given at the head of this letter in all correspondence.

Yours sincerely

Response to Freedom of Information Act 2000 request (FOI_15-040)

The following information is taken from the University's Destinations of Leavers from Higher Education (DLHE)¹ survey. The definitions show Higher Education Statistics Agency (HESA) classifications of activity. The data below only shows students who completed the 3 year undergraduate BSc degree in Midwifery who replied to the DLHE survey in 2011/12 and 2012/13.

Graduate activity	Percentage of graduates engaged in activity
Employed in midwifery	87.18%
Employed in unrelated field	2.56%
Something Else	5.13%
Further Studies	5.13%
Unemployed	0%
