Sorry for the inconvenience.

Learning Enhancement Tutor for Mathematics and Statistics

Further guidance and information

If you have any further questions about this topic, or would like to discuss any other aspects of mathematics, you can talk to your lecturer or Personal Adviser, or make an appointment to see a **Learning Enhancement Tutor** in the **Dean of Students' Office**.

Telephone: 01603 592761
Email: dos.help@uea.ac.uk
Website: <http://www.uea.ac.uk/dos/let>

There are further resources on many aspects of mathematics, statistics and science available from the Dean of Students' Office and on its [website](#). These include questions to practise, model solutions and webcasts illustrating essential skills.

	<p>Other guidance leaflets about mathematics are produced by the Dean of Students' Office at the University of East Anglia.</p>	The logo for the University of East Anglia, featuring the letters "UEA" in a large, stylized font with a small star above the "A", and the text "University of East Anglia" below it.
