**Response to Freedom of Information Act 2000 request (FOI\_15-004)**

*Could I have the interview scores of successful and unsuccessful applicants at this stage of the process.*

*By this I mean can I have the interview scores for the last 2 years of successful, of the lowest interview score and the highest interview score, the mean and the mode? I realise that interview data will not be available for this year.*

Please see the accompanying spreadsheet FOI\_15-004 Appendix A. The mean, mode and lowest and highest scores can be obtained from the data provided.

*Also is it possible to do a freedom of information request for my own score at this stage of the cycle if I'm not on a waiting list or haven't received a rejection.*

***[Information exempted pursuant to s.40(1), Freedom of Information Act]***
