Dear ██████████

Freedom of Information Act 2000 – Information request (ref: FOI_15-013)

We have now considered your request of 19 January 2015 for the following information relating to admissions to the University's A100 medicine degree course:

'...I would like to request a new or updated¹ spreadsheet, with interview scores (and if possible station scores if available) for all interview applicants in the 2014/15 cycle.'

Our response is in the accompanying Excel spreadsheet 'FOI_15-013 Appendix A'. We hope this information will meet your requirements.

This spreadsheet shows all applicants who were successful in getting an interview, with their GCSE and Level 3 predictions, whether they were offered, rejected or withdrew, their UKCAT and overall interview score (along with stations scores).

Please note there is a small difference (1) between the numbers of applicants listed in the accompanying spreadsheet and in the number provided in response to question 4 of the previous FOI request listed in the footnote. We believe this discrepancy is due to the withdrawal of an applicant prior to the interview stage.

Please note that any material over which UEA has copyright is released on the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information provided.

You have the right of appeal against this response. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged.
