[REDACTED]

18 November 2014

Dear [REDACTED]

Freedom of Information Act 2000 – Information request (FOI_14-224)

We have considered your request of 27 October 2014 regarding the courses in which medical students receive legal training. Our response is provided on page 2 of this letter, together with a copy of your original request. We hope this response will meet your requirements.

Please note that any material over which UEA has copyright is released on the understanding that you will comply with all relevant copyright rules regarding reproduction and/or transmission of the information provided.

You have the right of appeal against this response to your request for information. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address.

You must appeal our response within 60 calendar days of the date of this letter. Any appeal received after that date will not be considered nor acknowledged. This policy has been reviewed and approved by the Information Commissioner's Office.

You also have a subsequent right of appeal to the Information Commissioner whose [contact details](#)¹ can be found on their website.

Please quote our reference given at the head of this letter in all correspondence.

Yours sincerely

David Palmer
Information Policy and Compliance Manager
University of East Anglia

Response to Freedom of Information Act 2000 request (FOI_14-224)

I would be very grateful if you could please provide me with the following information relating to your current undergraduate curriculum for medical students. If you have any problems answering our specific question please contact us:

Identify all courses whereby any medical student receives any type of legal training

Law is a 'theme' rather than a separate module or a specific component within certain modules. In effect, it runs through all modules, in a spiral learning model.

Further information on the nature of this learning model is presented within the MB BS Student Handbook 2014-15, which is available on [our website here](#).² In particular we would draw your attention to pages 14 and 20 of this document.

A list of all modules available is as follows:

First Year

Module 1 – The Human Lifecycle: An Holistic Approach
Module 2 – Locomotion

Second Year

Module 3 – Blood and Skin
Module 4 – Circulation
Module 5 – Respiration

Third Year

Module 6 – Homeostasis and Hormones
Module 7 – The Senses
Module 8 – Digestion and Nutrition

Fourth Year

Module 9 – Reproduction
Module 10 – Growth and Development
Module 11 – The Mind and Body
Module 12 – The External Elective

Fifth Year

Module 13 – Emergency Care
Module 14 – Student Assistantship
Module 15 – The Internal Elective
